FISCAL NOTE

HB 2021 - SB 2061

March 26, 2011

SUMMARY OF BILL: Authorizes an employee who possesses a valid handgun carry permit to store a firearm out of sight in a locked vehicle on any property set aside by the employer for vehicles. Excludes any penal institution, correctional institution, detention facility, diversion center, jail, or similar place of confinement or location prohibited by state or federal law or regulation.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Allowing a person with a valid handgun carry permit to store a firearm in a private locked vehicle in an employer's parking area may result in fewer convictions for violations of posted areas. Because such violations are punishable by fine only, any reduction in revenue as a result is estimated to be not significant.
